In this paper I will explore if the use of prescription stimulants is related to global processes of malleability in any way, as some researches argue (Miller & Leger, 2003).

Of the 171.9 million Endo has agreed to pay to resolve these civil claims, Endo will pay $137.7 million to the federal government and $34.2 million to the states and the district of Columbia.

2010; Webber 2000, chapter 2) Raskob, who served as vice-president for finance for both General Motors...
